

Notes from previous meeting (19th August)

It was good to have Sergeant Sheep back in his usual role. Thanks to Greg and Rebecca for filling in during his absence.

Our participation in the Melanoma Australia barbecue at the Hobart Aquatic Centre has been confirmed. Volunteers will need to be available from approximately 12.00-4.00 with the actual serving from 1.00 -3.00 on SUNDAY 30th August. The roster will be finalised at our meeting on 26/08. We were unsuccessful in our bid for the junior football barbecue.

NYSF interviews went very well and the club's nominee, Hannah Howells, was successful. Thanks to all who attended, especially Dennis Bordin, for their work supporting this exciting programme.

Although it is not Rotary Youth month, the theme for the night was certainly Youth. We have been asked to provide interviewers for mock interviews at Montrose Bay High on Thursday 10th September. If you are able to assist please let Lillian know ASAP.

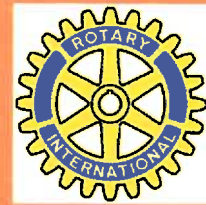

As well, the club has been asked to sponsor a young person aged between 18-30 to attend the Rotaract District Conference from 9-11 October. Please pass on names of any suitable candidates to any of the New Generations Committee.

ROTARY CLUB OF CLAREMONT BULLETIN

Wednesday 26th August

In keeping with the Youth theme our guests for the evening were students, parents and a staff member from St Marys College. The club sponsored Olivia and Lily to attend MUNA and they shared details of their experience.

The girls represented Nigeria and researched their country beforehand so they knew about major issues the country faced and could vote accordingly on any resolutions. Part of their preparation also included organising national dress.

Aspects of the conference the girls particularly enjoyed were the parade of national costumes, the cut and thrust of debate, the disco, the hospitality of their host family and the new friendships they formed.

They found it challenging to put aside their own views to represent their country when voting but, their Most Improved award, suggests the girls were successful in doing this. Olivia and Lily could see many links to their current studies and felt they gained skills which will support them at school and in wider life. Both girls have a keen interest in social justice and gave an enthusiastic presentation.

There will NOT be a Group 3 combined event next year as previously suggested. Instead, each club has been challenged to come up with a fundraising event for a worthy local cause. The Group 3 Forum will be on Monday, 5th October so there will not be a club meeting on Wednesday 7th.

Members are encouraged to read Message Stick for details of the District Leadership Institute and to come up with potential nominees.

The RSL has agreed to cover the shortfall for the Walk of Remembrance seating. Thank you to the RSL for their generosity. Details of the working bee to install the seats will be given soon. The club has also been approached to help with other seating in the local precinct.

PMM Real Estate has generously agreed to cover the cost of the advertising for the upcoming Cycle Challenge.

Does anyone know who might have the art work for Rotary number plates? Please contact Past President Craig if you can help.
